## Professional Summary

I am an Industrial Engineer passionate about driving digital transformation and process optimization. I have experience in data and operations analytics, automation, and project management. I am dedicated to honing my skills and using an innovative and data-driven approach to solve challenges and drive significant improvements.

## Skills

<b>Analysis</b>	<ul style="list-style-type: none"><li>Requirements Identification</li><li>Strategic Data Analysis</li><li>Decision Making Based on Analysis</li></ul>	<b>Strategic Management</b>	<ul style="list-style-type: none"><li>Strategic Operations Planning</li><li>Process Optimization</li><li>Efficient Change Adaptation</li></ul>
<b>Continuous Improvement</b>	<ul style="list-style-type: none"><li>Continuous Process Evaluation</li><li>Improvement Identification and Implementation</li><li>Contribution to Operational Efficiency</li></ul>	<b>Effective Communication</b>	<ul style="list-style-type: none"><li>Clear and Precise Technical Writing</li><li>Effective Findings Presentation</li><li>Collaborative Communication in Teams</li></ul>

## Professional Experience

### Be Exponential - Remote Project Tracking

June 2023 - Present

I comprehensively managed ERP implementation projects. Led cross-functional teams ensuring successful delivery according to requirements and schedules, applying high-level analytical, technical and project management skills.

- Successfully implemented Oracle NetSuite ERP on time and within budget.

### Metal Technologies - San Luis Potosí Continuous Improvement Trainee

August 2022 - December 2022

I optimised production processes and workflows in the industrial plant. I also standardised documentation. Applying knowledge of industrial engineering, continuous improvement and teamwork.

- Increased productivity by 8% by standardising processes and documents.
- Implemented key performance indicators for real time monitoring.
- Standardisation of +60 manufacturing processes.

### Colegio de Ingenieros Civiles de Chiapas - Tuxtla Gutiérrez Administrative Assistant

October 2021 - August 2022

Provided comprehensive administrative support to the school's operation. Managed documentation, data and certification processes.

- Analysed financial reports in Excel, implementing improvements using VBA macros.
- Customer service and computer record keeping.
- Standardization of processes for ISO 9001.

## Education

**Bachelor's Degree in Industrial Engineering** | Instituto Tecnológico de Tuxtla Gutiérrez

**Technical Specialisation in Programming** : Centro de Estudios Tecnológicos, Industriales y de Servicios 138

## Certificates

**Excel Skills** | JP Morgan Chase & Co

**Six Sigma White Belt** | Six Sigma Online
